HAS SEEN THE FATHER

WHOEVER HAS SEEN ME HAS SEEN THE FATHER

Philip plays only a small role in the Gospels, but here, his role is pivotal. Jesus has warned his apostles that he is leaving-- probably a reference to his death and ascension. Philip responds to Jesus' claim that they "have seen the Father". Like the other apostles, he has not comprehended the depth of Christ's identity. He can see only the man and not the God. Our Lord expresses the nature of his person and his unity with the Father. It is a clear statement that he is God. In the beauty of Jesus we see the qualities of God because Jesus is divine. What do we see in Jesus? Surely among his attributes are love, mercy, compassion, strength, humility, self-sacrifice...in short all that is good and nothing that is wrong.
