Mission Statement:

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented. Our community of worshippers will be alert to changing needs, and committed to involvement in worship, education, outreach and communication.

Pentecost worship is about joy, and the invitation is to let the Spirit be poured out on you. But remember, that “you” is plural. Let the Spirit be poured out on all y’all. It was because they were gathered together that this happened. So, what if we can’t be gathered? What if we have to keep our distance? The Spirit can still be corporate. Every time someone speaks for the church, remind people that all are included. Remind people that all are invited. This gift, the Spirit poured out, is for the whole body, not just for a few.
