Mission Statement:

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented. Our community of worshippers will be alert to changing needs, and committed to involvement in worship, education, outreach and communication.

The disciples on their first formal mission, reported the death of John the Baptist. Jesus' life and mission were connected to the socio-political affairs of his first century ministry. John's death was intimately tied to the mission of Jesus. John's message was met with political obstacles, so would Jesus' and so would his followers. Herod thought that Jesus was a resurrected John. Jesus' continual activity was viewed by the "powers that be" as intimately associated with John's.
