Mission Statement:

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented. Our community of worshippers will be alert to changing needs, and committed to involvement in worship, education, outreach and communication.

In today's Gospel, we find Jesus preaching and nobody listening. He has come back "to his native place," Nazareth, and even though the people were astonished at his wisdom, their immediate reaction is to "take offense at him." This was his home town, so people already had him in a category—Carpenter, the guy who lives down the street, son of that working couple Joseph and Mary. Who does he think he is, preaching all this new stuff? Nothing can grow from barren soil. For anything to grow, there has to be a fertile seed-bed. Faith is the rich soil that lets God be planted in and flourish within our lives. Let us release Jesus from the categories that we put him in, and let us plow up our ground so that the seeds of love, wisdom, hope and faith can be planted in us by God.
