Mission Statement:

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented. Our community of worshippers will be alert to changing needs, and committed to involvement in worship, education, outreach and communication.

In the Gospel story, the disciples are wowed by the seeming permanence and strength of the temple building. But Jesus says it won't last. He is asking us to look beyond the moment toward a future realization of the kingdom that is coming. He isn't asking us to ignore the moment, to be blind to the realities of the world as it is right now. But he is asking us to not put all our hope in what we see and to work for what is coming but is not yet here. We are a people looking forward to a promise which is, more a hoping for the kingdom to come on earth as it is in heaven, just like we pray each week. We need a foundation in our lives that will lead us to eternity.
