**Mission Statement:**

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented. Our community of worshippers will be alert to changing needs, and committed to involvement in worship, education, outreach and communication.

Prayer is a power we need to use. We need to find stories of the power of prayer in the lives of individuals, but also stories of communities of prayer and how they grew as disciples because of their disciplined approach to praying. Prayer and action are not opposites but complements in the spectrum of responding in faith. Prayer can be a launching pad to action and then a reflection on the action done, and through it all, prayer is a way of being reminded of the presence of the Holy Spirit in what we do. We need to establish some prayer chains. The nine types of prayer are adoration, praise, thanksgiving, penitence, oblation, intercession, petition, meditation and contemplation.
