Mission Statement:

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented. Our community of worshippers will be alert to changing needs, and committed to involvement in worship, education, outreach and communication.

Jesus would have us live more active and more complete lives of virtue... as defined by love of God and love of neighbor. He is raising the bar... calling us to elevate our game. He is telling us that the state of our souls is just as important as the actions of our bodies. To be consumed by revenge and seething with anger is as wrong as acting out that anger. To indulgently wallow in lust is to commit the sin without even moving a muscle. To openly commit sin is an obvious affront to God. But it is no more sinful than the hidden heart that embraces vice and crowds out love.
