ONE HUNDRED FIFTY-THREE FISH!

One of the appearances of the risen Jesus happened at the lake of Galilee--also called the lake of Tiberias, from the largest city on its shores. Peter and some of the others had gone home, possibly waiting for instructions from Christ. Meanwhile they must feed their families, so they have returned to their old jobs as fishermen. Jesus repeats the sign that he had first shown to the Apostles: the miraculous catch of fish.

John mentions that there were 153 fish caught. This number is probably a symbol meaning a complete number. Aristotle had taught that there were 153 different species of fish in the Mediterranean Sea. Thus Peter was given a commission to bring all people into the hands of Christ.
