Mission Statement:

To build a Christ-centered, open-minded community of worshippers that are caring, loving, sharing & family oriented, that are alert to changing needs, and committed to involvement in worship, education, outreach and communication.

HATING ONE'S FAMILY

In today's Gospel, Jesus says something shocking, "Anyone who comes to me without hating father, mother, wife, children, brothers, sisters, yes and his own life too, cannot be my disciple." We should realize that it was intended to provoke a response. If we took his words literally, it would be the exact opposite of all that he preached. But are the words meant in the literal sense?

Jesus used what we might call "reverse psychology" to elicit a commitment from his disciples. Many came to him because he was a free physician. They had only a passing or no interest in his teachings. His words might be interpreted to say, "Anyone who wants to be my follower must love me far more than he does his own father, mother, wife, children, brothers, or sisters--yes, more than his own life--otherwise he cannot be my disciple." (Today's English version of the Bible)
